BATEMANS MARINE PARK Zoning Plan User Guide

■ General Use Zone
■ Habitat Protection Zone
■ Habitat Protection Zone (Restricted)
■ Special Purpose Zone
■ Sanctuary Zone
 (FMA Act 1994) Sparring Closure
■ National Park or Nature Reserve

 Angel Ring
 Camping Area
 Boat Ramp

www.mpa.nsw.gov.au

- (a) Fisheries Management Act 1994 applies (gear restrictions, bag & size limits, licence requirement)
- (b) Seasonal fishing restrictions and/or bait collecting restrictions apply in some zones
- (c) Recreational haul nets are allowed in recreational fishing havens but not in other habitat protection zones
- (d) Haul netting is permitted on specified beaches only (see 'commercial fishing')
- (e) Not in estuaries
- (f) Collecting invertebrates prohibited in some habitat protection zones by hand picking. Collecting coneyvoi is prohibited in all habitat protection zones
- (g) Limited to less than 10 kg per person per day
- (h) Limited to less than 20 litres per person per day
- (i) Not over seagrass

Approaching marine mammals

Within NSW waters generally, special regulations apply to approaching marine mammals, including dolphins, seals and whales. These diagrams illustrate the appropriate distances. For more information contact the National Parks and Wildlife Service or visit www.environment.nsw.gov.au/plantsanimals/walhereregulation.htm

Whale approaches

Dolphin approaches
